Mildred Furbush Rideout

Mildred on their boat spending time with family in Harpswell.

Mildred Furbush Rideout has been a life long resident of Greene. From birth, she lived in the village next door to the current Town Office, then moved to the farm on North Hatch Hill Rd.

She attended the Patten School where the current Greene Fire Department is now located, then graduated from Lewiston High School in June of 1945 and was a member of the local 4H Club.

In October of 1945, she married Alan Rideout. While married, she continued her education at the Auburn School of Commerce and volunteered her time to the Civil Defense and Red Cross.

She was head cook at Greene Central School from 1958-1971 then worked for Tri County Mental Health until she retired in 1992. After retiring, she volunteered every week at CMMC Day Surgery until just last year. When Mildred wasn't working, she loved spending time at camp in Harpswell with family and friends.

While raising her children, she volunteered her time to the Girl Scouts, the Greene PTA, and was one of the original founders of Dollars for Scholars.

The Town of Greene and all its citizens would like to thank Mildred for her dedication to our community.

We wish to thank the dedicated volunteers who have served many hours to their community.

To the Citizens of our Town of Greene,

The year 2019 has proven to be a very busy one for the Town of Greene, and based on the outcome, a somewhat successful year. The town has seen the completion of the road paving as detailed in the bond that was passed at our annual Town Meeting of 2018. Although we finally saw the completion of the paving, it did not come without unwanted or unneeded delays by the paving contractor. Over booking and lack of man power which faces all aspects of construction in our state tested the patience of our citizenry and we want to thank you all for your understanding and the patience that was displayed.

Another project that we can celebrate the completion of is the construction of the new Public Works Garage. Again, with delays and changes that were required, we all finally have a new building for the storage and maintenance of the Town's highway vehicles. This new building also provides the necessary equipment for the safety of the highway department employees. It is our hope to finally have an open house at the building in the spring.

We want to say Thank you to Sally Hebert for her many years of service to the Town of Greene. Sally retired as of December 31st, 2019. We wish her well and much happiness and good health in her retirement.

As we move forward in the upcoming budget process, we will be looking at continuing to bring roads to a higher standard in areas where they were not part of the initial bond approved at town meeting in 2018. We are doing this while maintaining the paved roads, and very importantly, keeping an eye on the affect that projects can have on the tax levy.

As a town, we continue to work diligently year after year at keeping the tax levy of the municipal side as low as possible. However, the Town of Greene, as well as other communities in the region continue to face increasing levies on our taxes from the county government and school district. Androscoggin County is in the process of looking at long term bonding for projects that must be completed, mostly as a result of "kicking the can down the road" for way too many years. This has the potential to add an enormous burden on the county's communities. One of the members of our board of selectmen for our town is on the County Budget Committee and will keep a close watch on what the county commissioners will be proposing and will keep us all updated as items are proposed by the County. We strongly urge all our community members to remain engaged in both the county government and our MSAD 52 School District and make our voices heard.

Last year, as part of the "Spirit of America" awards, the town presented the award to George Farris Jr. for his dedication to the community in guiding the EMT response service which is part of the Greene Volunteer Fire Department. Once again, we say "Thank you George". The annual Town Report was dedicated to Eva Rose Philbrook, we "Thank you Eva" for all she has done for our community.

There are many things that take place daily that make this town a vibrant and caring community. We would like to thank all the volunteers, employees and citizens of Greene for making this such a wonderful place to call home. And as we ask each year, if you feel the calling to volunteer on one or several of the groups and committees that we have in town, please reach out to the staff at the town office for assistance in doing so.

In closing, we the selectmen want to thank you all for allowing us to serve you all as your elected representatives in town.

Sincerely,

Donald Bedford, Glenn Chateauvert, Kevin Mower, Anthony Reny & John Soucy

Dear friends and neighbors,

It is an honor to continue to serve the residents of Greene as your State Representative for House District 57. This is a duty I fully embrace as I represent the best of rural Maine.

I will once again be serving on the Joint Standing Committee on Transportation which oversees Maine's infrastructure. We all know roads and bridges are in need of repair throughout the state but there is so much more to transportation. We have valuable ports for ships and ferries, freight and passenger trains, airports and buses as well as bicycle and pedestrian trails. I'll be working with stakeholders from all over the state to make sure that we have sensible transportation policies that promote safety without overburdening citizens with needless regulations, including here in Greene.

I look forward to hearing from any concerned citizen about a State issue that I can assist with.

I continue to send weekly updates via e-mail and Facebook throughout the year regarding current state news. If you wish to receive these updates, please contact me at Thomas.Martin@legislature.maine.gov

Again, thank you for allowing me the opportunity to serve you in Augusta.

Sincerely,

Maine
Senate District 22

Senator Jeff Timberlake

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the privilege of serving you in the Maine Senate. I am honored that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

Maine is in the midst of one of the greatest periods of prosperity in its history and has led the nation in a number of economic categories over the last several years. Unemployment is at record low levels, wages are up, and state government has had seven straight years of surpluses. The number of children living in poverty is in a steep decline, and Maine now leads the nation in equality for women in the workplace and politics.

Though we have accomplished a great deal in the past year, there is still much more to be done. Maintaining the prosperity that you have built over the last several years tops the list. We can do this by holding the line on government spending, doing our best to stay out of the way of local businesses so that they can thrive as a result of their own hard work, and making sure that government is the most fiscally responsible steward of your tax dollars. These will be a few of my priorities this coming year.

Again, thank you for electing me to serve you in the State Senate. The 129th Legislature certainly has a great deal more work to do; but I believe that if we come together, there is nothing we can't accomplish. Feel free to contact me at 287-1505 or Jeffrey.Timberlake@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you well. It is an immense honor to serve as your representative in Congress. I take very seriously the responsibility that has been placed on me, and I would like to take this opportunity to share with you some of what I've been working on in my first year in Congress.

At the beginning of this term, the House passed H.R. 1, a comprehensive package of reforms I cosponsored to get big money out of politics and fight corruption in Washington. And in December, I helped pass H.R. 3, the *Lower Drug Costs Now Act*, which would limit out-of-pocket prescription drug costs paid by seniors, fund the expansion of Medicare coverage to include dental, vision, and hearing, and lower prescription drug prices for thousands of Mainers. Additionally, as a member of the House Armed Services Committee, I worked to ensure our annual defense authorization bill supports America's national security and Maine's shipyard workers, National Guardsmen, manufacturers, and universities.

On top of working on this legislation, I have also been advocating for our district directly to administrative agencies. I have been fighting for Maine lobstermen to urge the president to intervene in proposed regulations by the National Oceanic and Atmospheric Administration (NOAA) that would hurt our lobster industry. I pressed government agencies to ground their regulations in sound science and data when crafting new regulations on Maine's lobstermen. I also persuaded the Army Corps of Engineers to hold a public hearing in Maine about the proposed Central Maine Power NECEC transmission line, which gave hundreds of people the opportunity to voice their opinions about the project.

Some of the most important work of members of Congress is rooted in on-the-ground constituent services. We have three offices in the district -- in Caribou, Bangor, and Lewiston -- and my staff work tirelessly to help Mainers solve problems they may face with federal government agencies. I urge you to stop by to talk to us in person and let us know how we can better serve you and your communities.

My favorite part of the job is coming home to the district and hearing about what matters to you. This year, I brought a hearing of the House Small Business Subcommittee on Contracting and Infrastructure to Maine to find ways to expand access to rural broadband. I've also held open town halls and coffee hours throughout the district to hear directly from Mainers veterans, as well as roundtables to find more ways to help small businesses in Maine grow and create jobs.

As always, please continue to reach out to me and my staff if you'd like to voice an opinion, let us know about a local event, or seek any assistance with federal agencies.

Respectfully,

Jared Golden

January 1, 2020

Dear Friends,

The beginning of a new year provides the opportunity to reflect on the progress of the past 12 months. If you've been watching cable TV, you might think that every waking moment of 2019 in Washington has been consumed by divisive, partisan issues – and while there's no shortage of those debates, there have also been opportunities for bipartisan cooperation. You sent me to the Senate to make the most of those opportunities, so as we enter into the New Year, I wanted to take a moment to update you on my efforts to work with members of both parties to make life better for the people of Maine.

One of my most important priorities this past year has been emphasizing preventive healthcare. Maine's distinction as the oldest state in the nation brings us wisdom, of course – but it also creates unique challenges, particularly relating to healthcare. The key to addressing these obstacles is being proactive, because the cheapest, safest medical procedure is the one that doesn't need to happen. That's why I've introduced legislation to incentivize healthier living, expand mental health screenings, and help more Americans access regular check-ups. We're making progress, but we've got a long way to go – and I'd like your help, because I know that the best ideas are the ones that come from families and communities on the front lines of these challenges. To strengthen this effort, I convened a policy forum on prevention in Bangor in October, which has already given me exciting new ideas that I'll carry with me into 2020. If you have additional thoughts on encouraging preventive healthcare, please share them with my office.

This year has also continued the growth of Maine's forest products industry – a key focus of my work to revitalize Maine's rural economy and communities. We've seen significant investment in mills across the state, creating good jobs to support rural Maine. I'm also pleased that the investments aren't just in our mills – the industry is thriving because of its commitment to innovation. We're fortunate to have the University of Maine's top-notch researchers exploring cutting-edge ways to use our forest resources, including capitalizing on the rise of 3D printing technology with the world's largest 3D printer. Combining this work with ongoing federal support, our vast forests, and Maine's dedicated workforce, I know that the future of this industry is bright, and I'll continue working to support it on all fronts.

I'm proud of all we've accomplished together this year, but even as I reflect on all that we've achieved, it is challenging to not think of the work left undone. It sometimes can be discouraging to watch these important priorities hang in limbo, but fortunately for me, encouragement is never far. After all, I get to live in Maine – which means I get to count Maine people as my neighbors and friends. I'm always struck by the kindness that our citizens show not only to me, but also to each other. This focus on collaboration and compassion is an inspiration, and it powers my efforts bring a little bit of Maine common sense to Washington. Thank you for all you do to for our state – Mary and I are deeply grateful, and we hope that 2020 will be a good year for you, your family, your community, and the State of Maine.

Best Regards,

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the "Military Widow's Tax," an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people's health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine's Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation's premiere biomedical research institution, including significant boosts for Alzheimer's disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

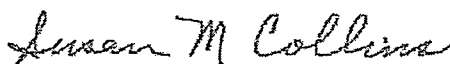

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation's crumbling infrastructure and ensure that Maine's housing needs are addressed. For Maine's roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee's Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS' Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

MSAD 52 Greene, Leeds and Turner

Dear Greene Residents:

MSAD 52 now has a strategic plan. The strategic planning team, comprised of sixteen people representing community members, parents, staff and students, elicited input from community members about what they want education and learning to be in MSAD 52. Input was gathered through:

- Surveys (850+ respondents)
- Community Input meetings in each of the three towns
- Engaging with elected officials at Selectmen meetings in each of the three towns
- Community Forum to review survey results and the input gathered

Community input identified the number one strength of the District to be our caring, effective teachers. The number one request was for increased opportunity for hands-on, experiential learning.

All of the community input was distilled into seven overarching goals; each one including one or more objectives and action steps. The School Board adopted these goals and objectives in June 2019. Copies of the MSAD 52 strategic plan are available in town offices, in our schools and in the MSAD 52 central office. We are in the process of updating and improving our website and anticipate this work will be completed by the end of January. At that time, the strategic plan will be accessible on our website as well. Thank you to all who participated in this collaborative effort to develop the MSAD 52 strategic plan.

The initial 2020-2021 (FY 21) proposed budget will be presented to the School Board on February 27th at 6:00 P.M. at Leeds Central School. Our goal in developing the FY 21 budget is to meet our students' learning and social-emotional needs while also being fiscally responsible to our communities.

Please join us at one or all of the budget workshops, which begin at 6:00 P.M. Dates are:

- February 27 at Leeds Central School
- March 12 at Greene Central School
- March 19 at Turner Elementary School
- March 26 at Leeds Central School
- April 2 at Greene Central School
- April 9 at Turner Primary School
- April 23 is reserved for a special budget workshop if needed.
- May 7 is the District Budget Vote at Leavitt Area High School in the Auditorium.
- The Budget Validation Referendum date will soon be set.

The District supports communication through its website at www.msad52.org and its Facebook page at <https://www.facebook.com/msad52/>. All budget information is kept on the District website under the Budget tab. Last year we changed the format of the Budget Book that is delivered to all three towns and sent to all homes. We received feedback that the change in format made the budget more easily understandable, so we will continue with that new format. MSAD 52 exists to support our students and their learning. Preparing our students for success is a community effort.

Sincerely,

Kimberly Brandt, Superintendent

Town Managers Report

To the Board of Selectmen and citizens of Greene:

Presented in the following pages is the Annual Report for the Town of Greene, fiscal year ending December 31, 2019. The primary purpose of the Annual Report is to inform the citizens of Greene on the financial condition of the town and to report on the operational aspects as well.

The Fund Balance or surplus at year-end was \$586,215, a decrease from the previous year.

The Selectmen, Budget Committee and departments within the town are mindful of the continued financial conditions confronting all of us this year. The 2020 Selectmen's budget before you represents an increase of \$64,526. (1.34%) over last year's budget, reflecting additional funding for the County Budget, Administration, and Fire Department. If enacted as presented the increase to taxes would be approximately \$20.00 per \$100,000.00 of value.

The new Public Works Garage was completed in June of 2019. Over the last two years we have completed nearly 20 miles of roadway reconstruction and paving. We are proposing to reconstruct and pave approximately 5.6 miles in 2020. **Article 26** asks the Town to approve the borrowing of **\$200,000** for a 6 year lease/purchase of a used loader and excavator expending **\$50,000** from capital reserve and appropriate **\$36,000** for the first year payment. This lease purchase will replace our 14 year old loader and to purchase the excavator we have been renting for the last 5 years. We have retired the lease payment on our 2015 F550 and by purchasing the excavator we will eliminate the \$16,000 per year rental cost of the excavator. Consequently the addition of a new lease payment will have a minimum effect on the tax rate. The Fire Department increase reflects an increase in compensation and building maintenance.

Article 53 is a proposed ordinance which would allow the cultivation, manufacturing and testing of recreational marijuana. The ordinance prescribes where these facilities may be located and places a number of restrictions and safe guards on these establishments. **NO** storefronts will be permitted.

After nearly 35 years of service to the Town Sally Hebert retired effective December 31, 2019. Sally will be greatly missed and we wish her an enjoyable retirement. Shannon Harrington has taken her place in the office.

In closing I would like to thank Sally Hebert, Susan Buzzell, Ann Swiatocha, Wendell Strout, Bobby Dulac, Brent Armstrong, Gary Bedford, Gary Morris, Roger Dulac, John Courteau, Ken Pratt, George Lavertu, officers and members of the Fire Department, all the Library staff and Board members, members of the Planning and Appeals Board, Board of Selectmen, Budget Committee, Capital Improvement Committee and the many other committee's and residents for their continued service to the Town. They, in large part, are what help to make Greene the community we are all proud of.

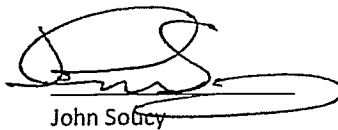

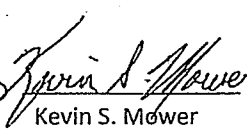

Sincerely,

Charles Noonan
Town Manager

Report of Registrar

As of December 31, 2019 the registered voters in the Town of Greene are as follows:

849	Democrat	204	Green Independent
1010	Republican	1215	Unenrolled

Total 3,278 voters

2019 was a busy year for me as a new registrar. This year (2020) will be even busier with the municipal election, the school budget validation vote, the primary election, referendum in June and the Presidential in November. Thank you to all the voters for being patient during the elections.

I ask that the voters be responsible in making sure their voter records (name, address, party) are up to date with the registrar. It will only take a few minutes to check with the town office. This saves time when you come to vote; if your name or address has changed you have to get out of line and go to the registrar to fill out a new voter registration card, then you will be allowed to vote.

It is your responsibility to keep your voter registration up to date. Your name, mailing and physical addresses have to be current along with your enrollment in a political party. A new voter registration card must be filled out and signed by you with the changes. Please check your current listing at the Municipal Office.

Greene is one of the few communities that still have the Town Meeting form of government. This is a two part meeting. The first part is held on Friday March 6th from 8am-7pm when you vote for Board of Selectmen and School Board Director is held. The second part was when the residents convene at Greene Central School on March 7th at 9AM to vote on the town's budget. Absentee ballots are available for the first part of the meeting. The second part of the meeting you must be present to vote.

The election dates for 2020 are listed inside the back cover of the Annual Report. If you have any questions about voting and elections, please contact the Greene Town Office.

I would like to thank the election clerks and warden who take time out of their busy schedules to work the elections. The success of our election relies upon the dedication and work that they perform. If you would like to be an election clerk please contact the Greene Town Office.

Respectfully submitted,
Anne Swiatocha, Registrar of Voters

Animal Control Officer

During the year 2019, the Animal Control Officer handled 204 complaints. They were 21 dogs and cats taken to the Greater Androscoggin Humane Society (GAHS) during the year by residents of Greene and myself.

State law requires all dogs aged 6 months or older to be licensed in the State of Maine. Dogs can be licensed at the Town Office during normal business hours. You can send the required form from the Town of Greene website www.townofgreene.net. Fees for neutered/spayed dogs are \$6.00 per year; while non-neutered/non-spayed is \$11 per year. All dogs must be licensed no later than December 31st of each year and a \$25 late fee will be charged beginning February 1st.

I still get calls for an animal injured or deceased without any identification. Please license your dogs and display the rabies and license tags. This helps locate you, the owner, and may save your pet a trip to the Greater Androscoggin Humane Society. A name and phone number on the collar is also a big help.

By licensing your dog YOU are directly helping the fight against animal cruelty and abuse. Up to 90% of the dog license fees collected go directly to the State of Maine Welfare Program to support cruelty investigations. Licensing your dog also helps to insure public safety by requiring proof of a valid rabies vaccination before a license is issued. Kennel licenses have to be inspected by the ACO before a license can be issued by the Town.

Owners who allow their unattended dogs to run loose, bark excessively and trespass on other people's property caused unnecessary strife among neighbors and should be controlled by the owner of the dog. There has been an increase in dogs attacking other dogs. The dog owners are responsible for the actions of their pets and they are liable for bites, damage etc. Fines can also be incurred.

Note: It is illegal to allow your dog to be at large. Please be mindful of your neighbors. You love your pets but your neighbors may not.

The Greater Androscoggin Humane Society continues to provide care and support for the pets of Greene residents. The Animal Control Officer is pleased to note the continued vigilance, help, concern and caring of these Greene residents and visitors.

If you find an animal, you are required by law to contact Animal Control unless its owner is found right away. Remember how you would feel if you were looking for your animal and someone kept it. Animal Control makes every attempt to locate the owner of the animal before taking it to the shelter. The shelter takes very good care of the animal and keeps it safe until the owner is found under state guidelines.

Our goal is to return your pet to you! To help us do that, your dog needs to be licensed and wear both its rabies and license tags on its collar at all times. We also highly suggest a tag with your name and phone number on it. These tags can be riveted to the collar if you prefer not to hear them jingle.

Part time or summer residents should put their dogs on the town dog registry or put tag on the dog with their local address and phone number so we can return them to you.

If the dog(s) is no longer in your possession or if you have any questions, please contact the Town office. If you find that you have an issue with your own dog or cat, please contact me and I may be able to assist you in dealing with this situation.

Remember to never handle or approach wild animals! This is for you and your pet's safety. If you see a wild animal injured, please call the Androscoggin Sheriff's Department to contact the game warden.

I would like to thank all the people who complied with the laws and regulations of the State of Maine regarding Animal Welfare. If you have any questions, please contact me 212-2395 (cell phone). The most efficient and reliable way to contact me is thru the Androscoggin County Dispatcher at 753-2500. Protocol requires Androscoggin County to keep records of calls.

Wendell Strout, Jr.
Animal Control Officer

Greene Volunteer Fire Department

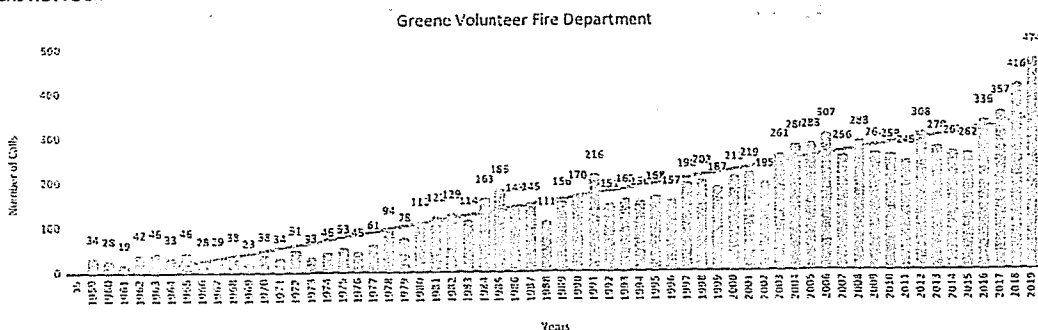

It is with great pleasure to present you with the 64th Greene Volunteer Fire Department annual report. As of December 31st 2019, our roster is 29 persons strong consisting of Department officers, Firefighters, EMT's, and Administration. In 2019, we responded to 474 calls within Greene and neighboring towns.

2019 was a busy year, brush fire season was a relatively mild one but there was an increase in wind related calls which resulted in a lot of down trees/power lines and road closures. We have implemented a plan with the school district to communicate these hazards in real time so not to put the buses in harms way. Along with the road closures we found a lot of frustrated drivers. Be patient, we don't like closing roads but in some cases it is necessary.

Our men and women respond to a wide variety of calls each year and do a remarkable job helping to keep the community safe. We ask that you do your part by following these safety tips.

- Install smoke/co detectors in your home and change the batteries twice a year.
- Keep an adequate amount of fire extinguishers in your home. Inspect them frequently and know how to use them.
- If you use a portable heater in your home, be sure it is approved for indoor use.
- If you burn wood or wood pellets, be sure the chimney or stove pipe is cleaned.
- While in a vehicle, use your seat belts, trust us, they save lives.
- Slow down while driving if roads are wet, icy or snow covered.
- Don't hesitate to dial "911", seconds count.
- If burning brush, obtain a free burning permit from wardensreport.com

Below is a graph depicting the increase in calls since Greene Volunteer Fire Department was established.

As Fire Chief, I would like to express my sincere appreciation for all our Firefighters, EMT's and their families who make the sacrifice to help our community.

John Soucy

Fire Chief

Greene Planning Board

The project plans brought to the board for review have again been sparse. There were no new subdivisions brought to the board to be approved. There was a change to a subdivision on River Road brought in for review to improve access for two of the lots. The board was also invited to attend a walk-through of the new marijuana cultivation facility at the former Town and Country Meats facility. There were detailed discussions about cultivation, sales, and expansion.

The board continues to be cautious about marijuana cultivation in Greene. Now that the state has approved regulations the board has held several workshops and has worked with the town manager to write new ordinances for cultivation of marijuana that will be going to the town meeting for a vote. The board also continues to watch for new regulations approved by the state for guidelines.

Currently there are two open seats on the Planning Board for new members to join. Change is good and a fresh pair of eyes can help to fill a position that is being vacated by someone who feels it is time someone else took over. If you think you would like to become a member of the Greene Planning Board please call the town office and let them know. Feel free to attend and observe one or more of the monthly meetings. Meetings are scheduled for the second Tuesday of each month at 6:30 PM at the Town Office Building. Schedule changes are noted on Cable TV. Volunteering for a position on the Board is a great way to get involved in your town.

Julia Adams Morse Library Annual Report 2019

We are pleased to welcome a new Librarian, Kelli Burnham. Kelli lives in Fayette and has a daughter who attends school in MSAD#52. Steve Bouchard accepted a full-time position in Lewiston. While he was with us, Steve did a lot to update the book collection and expand DVD and audiobooks offerings, which brought new patrons into the building. He also promoted the free Interlibrary Loan Service, which our patrons use to borrow books from other libraries.

On March 14, 2020 we will host a visit from Maine children's author Wendy Ulmer. We also hope to bring a local favorite, Maine mystery author Paul Doiron, to the library as well.

The Library received a grant from the Maine State Library for a project to celebrate Maine's Bicentennial in 2020. We will partner with the Greene Historical Society on an exhibit, and a program about life in Greene in 1820 geared for elementary school students. Look in the Country Courier newspaper and our Facebook page, "Morse Library," for more information.

Last spring three students from GCS did paintings for our Children's Area. We had another successful plant sale, with help from Lil's Greenhouse, and hosted several book discussions.

Over the fall, we enjoyed classroom visits from students at Greene Central School and Leeds Central School and hope to welcome these students back often for author talks and our annual Summer Reading Program. Our circulation numbers remain robust and we added 120 new patrons to the library rolls. Our children's collection has grown, adding DVDs, audiobooks and graphic novels, with the Maine Student Book Awards titles being particularly popular. Local use of CloudLibrary has grown as well, this service makes e-books and audiobooks available for free to our patrons via smartphones, tablets and computers.

The Library welcomes small groups to use our space for meetings, knitting groups, book clubs during our regular hours.

We were sorry to lose two Trustees, Julie Crosby and Nancy Hinds. Julie, who also was a long-time volunteer, moved to Gardiner. Nancy is taking on more responsibility for grandchildren. We will be nominating Todd Hofacker and Bethany Lyons as new Trustees at the March Town Meeting.

Once again, thank you to Glen Rock Springs and Main St. Dairy Treat for their support of the Library. Also, to the Town of Greene, our staff Kelli Burnham, Lynn Busch and Garrett Vaino, volunteers Sue Turcotte and Julie Crosby and our Trustees for all that you do to make the Library a place where everyone may feel welcome.

Kelli Burnham, Librarian

On behalf of the Trustees,

Greene Bicentennial Scholarship

Submitted by Anne Swiatocha

The 2019 Greene Bicentennial Scholarship recipient is Madison Smart.

The Greene Bicentennial Scholarship is presented annually to a graduation senior attending Leavitt Area High School that resides in Greene. The funds for this scholarship come from interest earned on Greene's share of a multi-million dollar fund administered and awarded by the Leavitt Trustees. The original investment was made with monies earned by the Greene Bicentennial Celebration in 1988.

Greene Historical Society

“Preserve written records, improve awareness and promote community involvement”

Dear Citizens of Greene,

The State of Maine is 200 years old this year and is celebrating all over the state. There is a parade planned in Lewiston-Auburn for May 16th. This will be bigger than the Maine State Parade.

The Greene Historical Society is working with the Julia Adams Morse Library on a grant to do displays at the library and town office. (See the Julia Adams Morse report for more information.)

The calendars are all done! They are for sale at the library and town office. Thank you to Don Rose for taking on this project.

Thanks to the many townspeople who have donated time, money or artifacts to the Historical Society. We appreciate support the residents of Greene and surrounding communities have given to the Historical Society in the past. Research and Preservation committees are continually gathering data and information for the society and any requests that come to us. One project in the near future is to collect data on the older homes on Main Street to see if they qualify for a historic district, because older homes are being demolished and lost forever.

New members are always welcome. Annual membership dues are \$5.00 per household or \$10.00 for corporate members. Annual membership dues and donations may be mailed to:

Greene Historical Society % Donald Rose
1092 N River Road, Greene, Maine 04236.

In addition to the above, we would like to acknowledge and thank all of our members, officers, volunteers of the society, as well as the Town of Greene for their support and involvement.

WGLT TV7

Greene's Local Access Television

This is our 30th year of broadcasting since May 1989. We have been moved from channel 7 to channel 1301. This is a drastic move as the viewers cannot find us. If you do not have Spectrum Cable you can view our programming on <http://wglgreeneme.viebit.com>.

With a limited crew of volunteers; we continue to provide local access programming to the residents of Greene. We continue to broadcast the MSAD 52 School Budget Meetings and Androscoggin County Commissioners meeting. If you have ideas for programming; please let us know.

The station could not run without the dedicated volunteers that have keep everything running from the station. This involves many, many hours of which totals over 1,100 hours for just Mike and Dick. Not to mention the many miles traveling to the studio, broadcasts, etc to keep WGLT TV7 programming running. There are many hours spent behind the scene arranging broadcasts, maintaining the equipment, keeping everything up to date. We are very fortunate to have Mike with his expertise of working in the television broadcast world before coming to Greene to volunteer for our local access channel bringing his knowledge of the broadcast field. Thanks to Mike and Dick. Thanks to all the volunteers and their families.

WGLT TV 7 would like to say Thank You to the viewers and supporters of Greene Local Access Station.

Thank you for supporting us the past 30 years!

To the Citizens of the Town of Greene

Re: Conservation Commission Annual Report for 2019

Fellow Citizens,

The commission awarded two scholarships in 2019. The two essay winners were Haley Marston and Hailey Greenlaw. This is a wonderful opportunity for these students to attend a week at the 4-H Camp and Learning Center in Bryant Pond.

The generosity of the taxpayers for keeping this funding going is always appreciated. It has a substantial impact for those students who would not have the opportunity to attend this camp.

There were plans to work on the recreation path including rebuilding one of the bridges. Due to the extended wet spring that project was not completed. We are in hopes for better weather in 2020.

Sincerely,

Town of Greene Conservation Commission
