## PARADE GRAND MARSHAL

Mildred Rideout  
2022

Mildred Furbush Rideout has been a lifelong resident of Greene. She grew up in the village, attending the Patten School & graduated from Lewiston High School in 1945. Later that same year, she married Alan Rideout. She was head cook at Greene Central School from 1958-1971 & then worked for Tri-County Mental Health until retirement in 1992. After retiring, she volunteered at CMMC Day Surgery up until 2019. She also volunteered with the Girl Scouts, the Greene PTA, & was one of the original founders of Dollars for Scholars. The Town of Greene & all its citizens would like to thank Mildred for her dedication to our community.

---

## STORY BEHIND THE LOGO & THIS YEAR'S THEME

This year's Greene Village Day theme is "Small Town Roots: Back Together Again." After several years of the celebration being held off due to the pandemic, what better way to start anew by getting the community back together.

The Greene Village Day Celebration Committee hosted a logo design contest & the winner was this logo created by Deborah Conrad.
